Title: Journal

Author: Gregory Ironhand

Without Coryn, I don't
have much desire to do
anything else around here.
I have been meaning to
finish up one project i
started weeks ago; a
tuning fork for one of
the Bardic Guildmasters.
I think I'll finish up
matters of my estate
here, then set out to
finish that task. It should
keep my mind occupied,
and off my dear Coryn.
